

Pet parents want a best-in-class experience for their family when choosing a pet hotel or resort.

ProEdge™ sofas deliver that experience with their exclusive anxiety-calming, safe space design.

Built with OrthoCool™ memory foam & orthopedic support, ProEdge™ offers a superior experience for even the most finicky breeds.

Pets feel protected in a safe space. ProEdge™ sofas create that safe space.

Final Assembly

Cleaning Instructions

For simple easy cleaning, use a soft cloth or sponge with warm water or spray cleaner or disinfectant.

It is not recommended to clean with a power washer or high powered spray tool.
